

**Modification issued in connection with tender for Laptops vide tender Ref. No:
RGUKT/Tender/Laptops-Core i3/P1/001/2011 dated: 25.02.2011**

Modification No: RGUKT/Tender/Laptops-Core i3/P1/001/2011 dated 11.03.2011

S.No	Page No & Clause No	Technical Specifications mentioned as per tender document	Modifications
1.	Page no. 9 and Section-D	Processor: Make: Intel Core i3-380 (2.53 GHz) or Equivalent	Processor: Make: Intel Core i3-370m (3M Cache, 2.4 GHz) or Equivalent or higher, Higher is preferable
2.	Page no. 9 and Section-D	Network Card: Speed: 1 GBPS	Network Card: Speed: 10/100 or higher, 1 Gbps speed is preferable
3.	Page no. 9 and Section-D	Optional items : Nine cell Battery	With 6 Hrs or more battery backup
4.	Page no. 9 and Section-D	Technology -32 nm	32 nm or 45 nm
5.	Page no. 9 and Section-D	Chipset: Graphics: onboard graphics supporting Microsoft Direct X 10.1	Chipset: Graphics: onboard graphics supporting Microsoft Direct X 10 or higher
6.	Page no. 9 and Section-D	Webcam: built-in 1.3 Megapixel (with 30 FPS) or better	Webcam: built-in 1.3 Megapixel or better
7.	Page no. 9 and Section-D	Software Compatibility: 1. Windows XP with Service Pack 3 and relevant device drivers 2. Ubuntu 10.04 LTS with relevant device drivers	Software Compatibility: 1. Windows 7 2. Ubuntu 10.04 LTS or higher with relevant device drivers
8.	Page no.6 and Section-A	Warranty	Base warranty for head phones is for one year.
9.	Page no. 17 and Point no. C under Evaluation of technical bids and Laptops	The vendor has to submit one sample laptop (along with accessories) of the type, which they intend to supply while submitting the bid document for technical evaluation, performance tests carrying and compliance to the specifications	The Vendor should supply 2 sample laptops with accessories 1). Basic Laptop 2). Laptop with Magnesium Alloy and Finger print reader, while submitting the bid document for technical evaluation, performance tests carrying and compliance to the specifications
10.	Page no.8 and Section-C	1% of the late delivered or deemed late delivered goods for one week or part there of 1.5% for 2 weeks or part there of 2% for 3 weeks or part thereof and so on.	1% of the late delivered or deemed late delivered goods for one week or part there of 1.5% for 2 weeks or part there of 2% for 3 weeks or part thereof and so on maximum of 10%. If delay continues beyond the limit, contract is liable for cancellation.

11	Page no.5 and Section-A	<p>Last date of Bid purchase : 14.03.2011 till 1:00 P.M</p> <p>Bid closing date / time : 14.03.2011 at 4:00 P.M</p> <p>Technical Bid opening date / time: 14.03.2011 at 4:30 P.M</p> <p>Price Bid opening date/time : 16.03.2011 at 4:00P.M</p>	<p>Last date of Bid purchase : 17.03.2011 up to 5:00 P.M</p> <p>Bid closing date / time : 18.03.2011 at 4:00 P.M</p> <p>Technical Bid opening date / time: 18.03.2011 at 4:30 P.M</p> <p>Price Bid opening date/time : 21.03.2011 at 4:00P.M</p>
12	Page no.17 and Section-H.2.5 .d	<p>Benchmark tests: Standard computerized benchmark tests will be performed to verify the compliance and effectiveness of the laptop and its peripherals ensure that the device drivers are compatible with Windows 7, XP, Vista and Linux.</p>	<p>Benchmark tests: Standard computerized benchmark tests will be performed to verify the compliance and effectiveness of the laptop and its peripherals ensure that the device drivers are compatible with Windows 7, XP, Vista and Linux.</p> <p>We will use the bench mark software called sysmark 2007 preview from Babco. The acceptable overall rating using this benchmark software or a laptop should be minimum of 145 (± 5) rating with a minimum of 140 (± 5) in productivity rating and a minimum of 125(± 5) in e-learning rating.</p>
